**THE MANIPULATION IN THE ANCIENT GREECE**

*Abstract*

The article reveals some types of manipulation in the Ancient Greece which prove that in some exceptional situations, statesmen used political measures which are placed at the limit of the law. There were a lot of situations in which these “measures” helped the saving of the polis, but turned against their initiators.

**Cuvinte cheie:** *Grecia, manipulare, oameni de stat, ostracism, măsuri excepționale*

**Key words:** *Greece, manipulation, statesmen, ostracism, exceptionally measures*
